EXPERIENCE

Communications Intern, *Merck Canada*

May 2023 - August 2023

- Working as a part of their communications team gave me a formative experience that allowed me to develop transferable skills. I was tasked with filming and editing multiple interviews that were broadcasted on an internal company platform and their LinkedIn page.

Social Media and Marketing Manager, *Paramount Study*

May 2020 - April 2023

- I created and managed content calendars, ensuring consistent and high-quality posts aligned with brand messaging and campaign objectives. Paramount Study is a recreational school that offers diverse classes from drawing, music, and singing classes to private math tutoring sessions.

Assistant Coordinator of Exhibitions, *Creative Arts Foundation of Canada*

December 2019 – 2023

- As Assistant Coordinator of Exhibitions, I managed communication between artists, vendors, and internal teams to streamline operations and resolve issues efficiently.

Observational Internship, *Difuze.inc*

February 2019

- I shadowed professionals across various departments, gaining insights into the coordination of the filmmaking process.

Waitress, *Le Bureau Bar Tapas*

July 2022 - October 2022

- I gained experience in both fast-paced and full-service dining environments. I gained skills in customer service, order taking, payment processing, and maintaining clean and organized workspaces. I can work efficiently under pressure, either independently or as part of a team while ensuring a positive and seamless customer experience.

PROJECTS

Freelance Photographer

- Experienced freelance photographer specializing in portrait, event, and commercial photography. Skilled in both shooting and post-processing, delivering high-quality, visually compelling images that meet client needs.

“Rank the Prank” - TV Series (BBC)

- In 2016, I was cast by the BBC to be a part of a new family show entitled “Rank the Prank”. I got to work with academy nominee individuals and many other professionals from the entertainment industry.

Rose in Montreal - Author

- In 2019, my first book was published. Since then, I have donated, by request, many copies to elementary schools all over Montreal to ensure the opportunity for children to learn about the benefits of multiculturalism.

The Quarantine Diaries - Author

- Published in December 2020, *The Quarantine Diaries* showcases journal entries of nine Canadian students selected nationwide through an essay writing competition.

“No Time” - Song <https://open.spotify.com/track/3vktzIMxEWtChmAB603k83?si=5e74de48dc264940>

- Amid the pandemic, in April 2020, I released my first single titled “No Time” on all platforms, which now has over fourteen thousand streams on Spotify.

“Something to Lose”- Song <https://open.spotify.com/track/7Fa3o5wUe5n0OCoyilFUbc?si=5509e53d14664127>

- I released this song on all platforms in December of 2022.
